I almost forgot!

Take 95 south to 495 South over the Christina River (wave at 12th street as you pass)

Take the NEXT exit after the 12th street exit (to rt 9/terminal ave) (and pretend you are going to Halby) but turn right instead on to Terminal Avenue.

When terminal ave "T"s out, make a left at the light (on to Rt 9 south) and drive until you go over 295/Del Mem bridge road

Make the left at the light on the Cherry Lane (the Delaware War Mem Veterans Park will be on your left)

Turn right into Riveredge Industrial Park and we are the LAST building on the right - you will see the zenith facility ahead as you turn right into our parking lot.

Go in the front door and Betty will call me! See you tomorrow
